<p>Action Points from previous meeting</p>	
<p>Mature Student Rep</p> <ul style="list-style-type: none"> - Mature students are only represented in two places - There is no way to hear and reflect on what is happening for these students - There’s no policy relating to mature students and how we represent them - Very few students come through CAO - predominantly FETAC - Going to run a survey of mature students about student experience in UCC - Asha: There is definitely a gap in engagement and communication so I 	

<p>think you're correct. I would be happy to set up a meeting to try and put together a policy to address this issue.</p> <ul style="list-style-type: none"> - College won't give us cohorted mailing lists so it's difficult to get in touch directly with groups like mature students and so on. Difficult to get responses from other departments like room bookings etc but we will keep working on it 	
<p>Referenda Standing Orders</p> <ul style="list-style-type: none"> - Returning to physical collection of signatures - Siobhán: "yaaaaaaas" - Campaigners should make an effort to visit satellite campuses - If people think it's worth their while visiting other campuses then they should, but I don't think we should enforce it - We also won't be able to police it - CTs start flyering on March 21st at 9am - CTs start postering on March 14th at 9am - Can the Hub be used for campaign - Quorum lost at 6:36 <ul style="list-style-type: none"> - Approval to be done by email by the end of this week
